## About Swillburg

The Swillburg Neighborhood is a cozy, active triangular shaped 20 block community bordered by Field Street, South Clinton Avenue, Meigs Street, and I-490. The neighborhood is home to dedicated, caring residents. The charming, narrow streets and natural mixture of homes and businesses offer the feel of a village with the convenience of urban living. The neighborhood is convenient to all the city of Rochester has to offer, including Highland Park, Cobb's Hill Park, museums, shopping, and even \$5 movies at the Highland Cinema. The neighborhood Association has many events for its residents including a holiday light decorating contest, Halloween scavenger hunt, National Night Out Carnival, Swillfest, and an organized community garage sale.
